### ***Touching Jesus***

1. The woman in Mark 5 was in the crowd because she had \_\_\_\_\_.
2. When the woman touched His garment Jesus "perceived \_\_\_\_\_ and asked, "\_\_\_\_\_."
3. After the woman told Jesus what she had done and what happened, Jesus said to her, "\_\_\_\_\_."
4. This account illustrates four considerations about reaching out to Jesus:
  - The Touch of \_\_\_\_\_
  - The Touch of \_\_\_\_\_
  - The Touch of \_\_\_\_\_
  - The Touch of \_\_\_\_\_
5. Matthew 23:37-38 illustrates the reality that some do not \_\_\_\_\_ their need and others do not \_\_\_\_\_ their need.
6. As this woman approached Jesus with purpose we must realize that Christianity is neither \_\_\_\_\_ nor \_\_\_\_\_.
7. The woman showed her faith by saying, "If I can \_\_\_\_\_... I will \_\_\_\_\_."
8. This woman's action shows that the faith that \_\_\_\_\_ is the faith that \_\_\_\_\_.
9. Matthew 7:21 says that those who will enter the kingdom are not those who merely say \_\_\_\_\_ but those who \_\_\_\_\_.
